2025 YEAR IN REVIEW

2025 has been a year full of celebration, growth, and exciting milestones at Uniglobe!

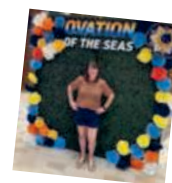

We kicked off the year with our annual visit to the **American Bus Association (ABA)** Marketplace. This year, Bill, Georgette, Katelin, and I traveled to Philadelphia, where we gathered *many* ideas for future trips – some of which you'll see featured in this newsletter, and others that are already in the works for 2027, 2028, 2029, and beyond.

We also attended the **ASTA (American Society of Travel Agents) River Cruise Expo** for the very first time. Jenna and I traveled to Vienna, Austria, where we toured more than 15 different river boats representing over a dozen cruise companies. While many itineraries may appear similar, each ship and brand offers its own unique experience and features. At Uniglobe, we are dedicated to using our firsthand knowledge to help you choose the river cruise – or any vacation – that's truly the right fit for you.

In June, I had the opportunity to experience **Royal Caribbean's *Ovation of the Seas*** on its inaugural sailing from the Port of Los Angeles. As the largest ship to sail from the West Coast, *Ovation of the Seas* offers 3-, 5-, and 6-night Mexico sailings before heading to Alaska later this year. With so much to see and do onboard, the ship itself is a destination. Ready to experience it for yourself? I happen to know a great travel agency that can help you plan that adventure.

July marked another Uniglobe first – our inaugural group trip to **North Dakota!** We flew into Bismarck, and channeling a little wisdom I've learned from Bill, made sure to visit one of the "World's Largest" attractions: Salem Sue, the world's largest cow. From there, we explored Medora and Theodore Roosevelt National Park before continuing to South Dakota to visit Mount Rushmore and more iconic sites.

Then in August, my husband and I decided to do something, well, crazy (and very exciting).

A dream I've had since I was in college and something we had talked about for years:

We bought a building! The previous Top Hat Pools and Fireplaces had closed December 31, 2024 and we had our eye on it since before then. The minute it went for up for sale, we reached out to the realtor. After several visits and plenty of decision making, our offer was accepted.

Over the past four months, we've poured our blood, sweat, and (on my part) tears into this project. The first floor is being completely remodeled to meet Uniglobe's needs. One side will officially open as our new office on **January 20**, while the other side – still in progress – will open later this year as an event space for document meetings and information nights. We've had so much fun designing the space, tackling renovations, meeting new local vendors, and learning along the way.

We continued the celebrations in December when our agent, **Heather Kornetti**, was honored with a **Black Pineapple Award from Antigua & Barbuda**, recognizing her as one of the destination's top producers in 2025. After visiting Antigua last July, Heather completely fell in love with the island and has since become our Antigua expert. This well-deserved award is a testament to her passion, knowledge, and dedication to creating exceptional travel experiences for our clients.

Also in December, we were honored to receive **First Place** in the *Best of the Ohio Valley Readers' Choice Awards* for **Top Travel Agency**. We are incredibly grateful to our clients for your votes—and, most importantly, for trusting us to plan your vacations and meaningful journeys. This recognition truly belongs to you.

We are excited to share our adventures and achievements with you, our valued clients. Thank you for being part of our journey, whether traveling alongside us on the road or supporting us through the office. We can't wait to share what's next in 2026!

Happy New Year!
